**KDES 98.5 is one of the premier stations in the Coachella Valley and one of the first stations many people think of when they come to the desert.**

Our community involvement has been strong for 45 years. KDES believes all the valley communities rely on us for entertainment and up to the minute news and information about our communities.

KDES is a radio station the whole family can enjoy! Have you ever noticed that movie soundtracks usually include songs regularly heard on KDES? The music is timeless and recognizable to all audiences. From Elvis to Motown, Bob Dylan to the Beatles and The Rolling Stones, every song is one you can sing and relive favorite memories from the past or create new ones.

The KDES line up of personalities is fun and exciting. Danny Fox gets your morning going, Bob O'Brien is on during the work day, Russ O'Hara drives you home in the afternoon, Victor Cruz and Art Laboe are there for your nighttime requests and dedications, and for you night owls, the beat goes on with Terry Carson into the wee hours. They all have their own unique and up beat way of bringing you "The Greatest Hits of the 60's, 70's & 80's."
