

## THE VALLEY'S PROGRESSIVE VOICE

# ALAN COLMES

WEEKDAYS

7pm – 10pm

As America's most prominent radio liberal amidst a sea of right-wing conservative talk show hosts, Alan Colmes might be described as a professional dragon slayer. Unlike many talkfests, filled with harmonious voices soothing the ego of the host, "The Alan Colmes Program" and is a cacophony of discordant voices, many of whom regard Colmes as the guy they love to hate.

Colmes has interviewed many key political figures, including former President Bill Clinton, former Vice President Al Gore, the Rev. Jesse Jackson, Steve Forbes, former New York Mayor Rudolph Giuliani, Ralph Nader and former Independent Counsel Ken Starr.

Everything Colmes does seems to generate strong responses from whomever is paying attention. This includes everything from his political views, to his personal life, to his hair. The Colmes program also makes the best use of its staff's creative abilities. Through an innovative use of parody, music, and humorous bits, the Alan Colmes show doesn't just inform, it entertains.
